

SUIT MEASUREMENTCHART

VERIFICATION

Please check that measurements correspond to the hereunder chart. In principle measurements should fall under one suit size. It is possible that some measurements are either one size up or one size down, but if you are all over the chart please verify your dimensions. If you go to a tailor, please ask him to follow our measurement diagram.

SUIT SIZE CHART - INCHES

		SIZE	46	48	50	52	54	56	58	60	62	64
